

# CAMDEN SOUL

**Press Release 15/8/06**

Camden Soul is a **12-strong female** vocal powerhouse set to a swaying **neo-soul** groove provided by a funky, sensitive band comprising bass, guitar, drums, percussion and piano & keyboards.

Camden Soul's material is drawn from many sources, some original, some covers. Live, the Camden Soul sound is one of big soul beats backing this unique and **stirring 12-strong group of singers**.

Straight out of Camden, but heading your way soon. Don't miss the following opportunities to catch the Camden Soul train live.

Twelve women, 12 voices to stir the soul. That's Camden Soul.
